

I SCARE MYSELF [Dan Hicks & His Hot Licks - I Scare Myself](#)

E F C7

V1 I scare myself just thinking about you **E F**

I scare myself when I'm without you

I scare myself the moment that you're going

I scare myself when I let my thoughts run

and when they're running I keep thinking of you... C7 -> Fdim- E

and when they're running what can I do?

v2 I scare myself, and I don't mean lightly

I scare myself, it can get frightening

I scare myself, to think what I could do

I scare myself -- it's some kind of voodoo...

and with that voodoo I keep thinking of you

and with that voodoo what can I do?

v3 but it's so so very different when we're together E F

and I'm so so much calmer; I feel better

'cause the stars already crossed our paths forever

and the sooner that you realise it the better

and then I'll be with you and I won't scare myself

and I'll know what to do and I won't scare myself

and my thoughts will run and I won't scare myself

and I'll think of you and I won't scare myself
