BR There's a city in my mind Come along and take that ride	It's alright, baby, it's alright
And it's very far away But it's growing day by day	And it's alright, baby, it's alright
Would you like to come along? could help me sing this song	And it's alright, baby, it's alright
They can tell you what to do But they'll make a fool of you	And it's alright, baby, it's alright
