V1 Come a little bit closer Hear what I have to say  
Just like children sleepin' We could dream this night away

But there's a full moon risin' Let's go dancin' in the light (ooh)  
We know where the music's playin' Let's go out and feel the night "

Because I'm still in love with you I want to see you dance again  
Because I'm still in love with you On this harvest moon

Riff x 4

V2 When we were strangers I watched you from afar  
When we were lovers I loved you with all my heart  
But now it's gettin' late And the moon is climbin' high  
I want to celebrate See it shinin' in your eyes  
Because I'm still in love with you I want to see you dance again  
Because I'm still in love with you On this harvest moon

Riff x 4
