

NOTHING'S GONNA TURN OUT RIGHT (DON'T WORRY ABOUT A THING)

[Vince Jones - Don't worry about a thing](#)

G blues

V1 If this life is driving you to drink	a cap
Sitting round what's the use what to think	a cap

C	G	
Well I've got some consolation	I give it to you if I might	
You know I don't worry about a thing because		D7
Nothing's gonna turn out right		G

V2 Well this world's just one big troubled spot	a cap
Some have plenty, some have not	a cap

I've used to be troubled but I finally saw the light
Now I don't worry about a thing because I know
Nothing's gonna be alright

INSTR

V3 You spend your time trying to be the big winner	a cap
The minute you'll get fat somebody else will get thinner	a cap

There's always somebody messing with dynamite
You know I don't worry about a thing because I know
Nothing's gonna turn out right
