

## SWEET VIRGINIA [Sweet Virginia](#)

INTRO = A - E7 - A -> as for verse with harp D B A

Wadin' through the waste, stormy winter  
And there's not a friend to help you through  
Tryin' to stop the waves behind your eyeballs, oh yeah A D  
Dropped your reds, dropped your greens and blues

Thank you for your wine, California  
And thank you for your sweet and bitter fruits  
Yes, I got the desert in my toenails, oh yeah A D  
And I hid that speed inside my shoe, yes

I want you to come on, come on down, Sweet Virginia H on A  
I want you to come on, come on down, I beg of you  
I want you to come on, come on down, you got it in you, oh yeah  
I got to scrape that shit right off your shoes (alright, Bobby)

I want you to come on, come on down, Sweet Virginia
