The first time, ever I saw your face	Bbm7 Eb7 Abmaj7
I thought the sun rose in your eyes	Fm Cm Db
And the moon and the stars Were the gifts you gave	
To the dark, and the endless sky x 2	F# Ab

And the first time, ever I kissed your mouth  
I felt the earth move in my hands  
Like the trembling heart Of a captive bird  
That was there, at my command My love x2

And the first time, ever I lay with you  
I felt your heart so close to mine  
And I knew our joy Would fill the earth  
And last, 'til the end of time My love x2
