

## **SHADOWPLAY**

**F - A**

**To the centre of the city where all roads meet, waiting for you,  
To the depths of the ocean where all hopes sank, searching for  
you,  
I was moving through the silence without motion, waiting for  
you,  
In a room with a window in the corner I found truth.**

**INSTR RIFF 1 x 2   RIFF 2 x 2**

**In the shadowplay, acting out your own death, knowing no  
more,  
As the assassins all grouped in four lines, dancing on the floor,  
And with cold steel, odour on their bodies made a move to  
connect,  
But I could only stare in disbelief as the crowds all left.**

**CHORDS x2**

**I did everything, everything I wanted to,  
I let them use you for their own ends,  
To the centre of the city in the night, waiting for you,  
To the centre of the city in the night, waiting for you.**

**RPT INSTR**
